**DETAILS:** On October 2<sup>nd</sup> 2007 at 4:16 p.m., a single vehicle / pedestrian collision occurred at the intersection of Lake Mead Boulevard and Lamont Street. Evidence at the scene, and witness statements indicate the 1979 GMC truck was eastbound on Lake Mead Boulevard. The pedestrian was crossing Lake Mead Boulevard in a marked crosswalk. Traffic in the right and center eastbound lanes stopped for the pedestrian. The driver of the GMC, who was traveling in the left eastbound lane, failed to see the pedestrian in the crosswalk and she was struck by the right front of the truck. As a result of the collision, the pedestrian was transported to UMC and listed in critical condition. No charges have been filed pending further investigation by the LVMPD Accident Investigation Detail.
