The Bait Car program in Clark County has been a success with over 150 car thieves arrested as a result of this program. Auto theft is down over 15% in Las Vegas and the unincorporated areas of Clark County. We are pleased to announce that the Henderson Police Department and the North Las Vegas Police Department are partnering with the LVMPD to expand the bait car program into Henderson and North Las Vegas.

Although we cannot discuss the amount of bait cars that will be utilized in Clark County, we can say this is now one of the larger programs in the United States. This will be a coordinated program with all three agencies working together in a valley-wide effort to further suppress auto theft in Clark County.

Representatives from the LVMPD, the Henderson Police Department and the North Las Vegas Police Department will be available for any questions at the Las Vegas City Hall complex located at Las Vegas Blvd and Stewart on Wednesday, December 5<sup>th</sup> at 10:30 AM. They will be in the media room on the third floor above the Plaza Desk officer.
