COLLISION DETAILS:

On September 27, 2009 at approximately 5:13 p.m. an Auto / Ambulance fatal vehicle collision occurred at the intersection on Las Vegas Boulevard and Bridger Avenue. Evidence at the scene, and witness statements indicate that the Ford was traveling northbound on Las Vegas Boulevard in far left travel lane. The Pontiac was traveling eastbound in the left travel lane. Both entered the intersection at the same time. The front of the Ford struck the side of the Pontiac. Both vehicle continued to travel in a northeast direction coming to rest in the northeast corner of the intersection. The passengers of the Pontiac and the Ford were transported to UMC Trauma with critical to minor injuries. The rear passenger of the Pontiac was pronounced dead at the Trauma center. This is the 65th fatal traffic collision that has occurred in the LVMPD's jurisdiction in 2009. No charges have been filed pending investigation by the LVMPD Accident Investigation detail.
