COLLISION DETAILS:

On October 31st, 2009 at approximately 5:50 p.m. A single vehicle fatal traffic collision occurred at the intersection of N. Hualapai Way north of Grand Teton Drive. Evidence at the scene and witness statements indicate the BMW was traveling at a high rate of speed northbound on Hualapai when for unknown reasons the driver failed to stop for a posted stop sign. The BMW entered the T-intersection and struck a cement barrier on the north side. The BMW became airborne striking a large dirt berm which vaulted the BMW out into the desert. with it coming to rest on its passenger side. The driver was transported to UMC Trauma Center in critical condition, he was pronounced dead a short time later by medical personnel. This is the 75th fatal traffic collision in the LVMPD's jurisdiction. The collision remains under investigation by the LVMPD Accident Investigation Section.
