COLLISION DETAILS:

On November 7, 2009 at approximately 5:52 p.m., a single vehicle fixed object traffic accident occurred at the intersection of Linden Avenue and Wilshire Boulevard. Evidence at the scene and witness statements indicate the male driver of the Ferrari was attempting to back into his driveway when he suffered a medical episode. This caused the driver to loose control of the vehicle and strike a concrete block wall with the rear of the vehicle. The driver was transported to University Medical Center where he was pronounced dead shortly after arrival. The cause of this accident is pending an examination of the driver by the Clark County Coroner.
