On 11/05/2009 at approximately 1830 hours, an armed robbery occurred in the area of Desert Inn / Theme. Two Black males knocked on an elderly couple's front door. They used a ruse stating their basketball had gone over their fence to get the home owner to open the door. While the front door was slightly open the suspects forced their way in and punched the elderly male several times in the face. The elderly couple was then tied up and the suspects ransacked the house taking several items.

The Las Vegas Metropolitan Police Department is requesting the public's assistance in identifying the suspects.
