Is your child involved in a gang? Do you know the warning signs?

The LVMPD invites the public to attend "Our Children and Gangs," an informational summit on gang activities. The event will be on Wednesday, January 20, 2010, at 6:30 p.m. at Desert Breeze Community Center at 8275 Spring Mountain Road.

This event is comprehensive as there will be two presentations taking place simultaneously to effectively impact each audience. In the gym at Desert Breeze Community Center there will a presentation for all parents/guardians, teachers/administrators, counselors, social workers, law enforcement and community social organizations and members.

The second room will hold all attending middle & high school students with a tailor made presentation for them.
