COLLISION DETAILS:

On January 29, 2010 at approximately 8:42 p.m., a double fatal traffic accident occurred at the intersection of Lamb Boulevard and Las Vegas Boulevard North. Evidence at the scene and witness statements indicate the 2006 Toyota was southbound on Las Vegas Boulevard and entered the intersection at Lamb on a green traffic signal. The 1992 Dodge Dakota was southbound on Lamb Boulevard. Witness reported the Dodge was traveling at a high rate of speed and had run several red traffic signals before running the red traffic signal at Lamb Boulevard. The front of the Dodge struck the right side of the Toyota causing both vehicles to travel southbound on Lamb Boulevard before coming to rest. The female driver of the Toyota was pronounced dead at the scene by responding medical personnel. The driver of the Dodge and male passenger in the Toyota were transported to University Medical Center where the male juvenile was pronounced dead shortly after arrival. The driver of the Dodge, Nathan Hardy, was treated and released. Hardy was arrested and booked into the Clark County Detention Center for 2 counts of Felony Reckless Driving causing death. This was the 8th and 9th fatality in LVMPD's jurisdiction this year. This accident remains under investigation by the LVMPD Accident Investigation Section.
