COLLISION DETAILS:

On February 18th 2010 at approximately 1:12 p.m., an auto / pedestrian critical injury traffic accident occurred on West Flamingo Road at South Wynn Road. Witness statements and evidence at the scene indicate the pedestrian was running from the center median of Flamingo to the north sidewalk when he was struck by a westbound vehicle in the right through lane. The pedestrian was not in a marked crosswalk and after being struck by the vehicle he landed on the north sidewalk. The pedestrian was transported to UMC Trauma Center with critical life threatening injuries. The collision remains under investigation by the LVMPD Accident Investigation Section.
