COLLISION DETAILS:

On February 28th 2010 at approximately 4:08 a.m., a three vehicle traffic accident occurred on South Las Vegas Boulevard at the Wynn Boulevard Exit. Evidence at the scene and witness statements indicate the Chevrolet Cobalt was northbound on Las Vegas Boulevard when the driver swerved right and lost control of the vehicle striking the curb on the southeast corner of Wynn and Las Vegas Boulevard. The Cobalt then became airborne striking the Lincoln Navigator and the Chevrolet Malibu who were both stopped at the signal facing west. The Cobalt then rolled onto it's side ejecting the passenger. Three people were transported to UMC and the driver of the Cobalt was arrested for Felony DUI and transported to Clark County detention Center. The accident remains under investigation by the LVMPD Accident Investigation Section.
