## 2017-2018 Budget Highlights

- The Fiscal Year 2017-2018 (FY17/18) final budget request totals \$574,966,463 and represents an increase of \$22,832,102 or 4.14% over the FY16/17 budget. It is anticipated that \$127,928,572 will be available from the two voter-approved property tax ballot questions. Projected property tax revenues are 5.4% over the current budget.
- A contract totaling \$23,053,210 with the Department of Aviation for police services at the Airport will offset expenditures in that budget unit.
- In accordance with NRS 280, the total amount to be distributed between the City of Las Vegas and Clark County is \$392,067,681, which is an increase of \$12,163,827 over the current fiscal year. The funding formula requires that 36.3% or \$142,249,865 be contributed by the City and that 63.7% or \$249,817,816 be contributed by the County. The shift in responsibility through the funding formula for FY17/18 transfers \$869,439 from the City to the County.
- The requested budgetary increase is largely attributable to the addition of 67 commissioned positions and 47 civilian positions. Along with the positions requested in this budget, LVMPD will be adding 267 commissioned positions as a result of the Crime Prevention Act sales tax. The addition of these positions will bring LVMPD to the 2.0 officers per 1,000 citizens that the Department has been striving to achieve for many years.
- The total number of budgeted full-time positions in this operating fund is 3,421, including 2,141 commissioned and 1,280 civilian positions.

## Budget Overview

The Las Vegas Metropolitan Police Department budget is a plan for revenues and expenditures for the fiscal year July 1 through June 30. Programs, personnel and purchases are presented for funding through the budget process based upon the goals, objectives, and measurement of performance of each department unit. The budget is developed as a program budget and presented as a line item budget for ease of review.

NRS 280 is enabling legislation that establishes the Las Vegas Metropolitan Police Department as a consolidated police department, jointly funded by the City of Las Vegas and Clark County. NRS 280 specifies that a funding formula based upon population, calls for service, and felony crimes of the previous calendar year will be used to determine the share of the budget that the City and County will contribute to the Department. The Las Vegas Metropolitan Police Department budget process undergoes three thorough reviews of police funding by the Fiscal Affairs Committee; City of Las Vegas Council; and Clark County Commission.

## LVMPD FY 2017-2018 BUDGET REVENUES

### REVENUE SOURCES

### REVENUE NOTES

City and County contributions are derived from the funding formula, per NRS 280, described in detail in the previous section.

The 1988 LVMPD Property Tax is derived from an annual property tax (ad valorem) rate of 8 cents per \$100 assessed valuation by the City of Las Vegas and the unincorporated Clark County. The 1996 LVMPD Property Tax is derived from an annual property tax (ad valorem) rate which cannot exceed 20 cents per \$100 assessed valuation in the LVMPD jurisdiction. The combined total proceeds from the special property taxes support 650 police officers.

The 2005 Nevada State Legislature passed Assembly Bill 489 which placed limitations on the amount of future property tax increases. The FY 2017-2018 Budget reflects estimated property tax revenue based on data supplied by the Clark County Assessor and the State of Nevada Department of Taxation, Assessment Standards Division, as of March 2017, and includes estimated abatements and exemptions.

Other revenues include fingerprint fees, overtime reimbursed for special events, extradition costs reimbursed by the State of Nevada, fees, proceeds from sales, earned interest, charges for services, and miscellaneous revenue.
