COLLISION DETAILS:

On January 29, 2020, at approximately 2:42 p.m., a vehicle versus pedestrian collision occurred on East Charleston Boulevard east of Las Vegas Boulevard South. Evidence at the scene and witness statements indicated an unidentified female in her 40's was crossing Charleston Boulevard northbound outside of a marked crosswalk. A white Ford Expedition was traveling eastbound on Charleston Boulevard in the left of three eastbound travel lanes. A collision occurred when the female crossed the Ford's path of travel. The left front of the Ford struck the female, projecting her forward and onto the ground. Las Vegas City Fire/Rescue transported the female to UMC Trauma, where despite all life-saving efforts, she succumbed to her injuries. The driver of the Ford remained at the collision scene and showed no signs of impairment. The pedestrian's death marks the 12th traffic-related fatality in LVMPD's jurisdiction. This case remains under investigation by the LVMPD Collision Investigation Section – Fatal Detail.
