Investigation Links Four Shooting Cases

On January 29, 2018 at approximately 3:06 a.m. officers were dispatched to the 2900 block of West Washington Street and found an unresponsive man suffering from gunshot wounds. The victim was pronounced deceased at the scene, and detectives with the LVMPD Homicide Section determined he had been sleeping outside of the business when an unidentified suspect walked up and shot him. The suspect fled the scene before officers' arrival.

At about 7:13 a.m. that same morning, the LVMPD was notified about another homeless male that had been taken to UMC Trauma with a gunshot wound to the head. The victim woke up with the injury and did not know when it actually occurred. The victim was initially transported from the area of Veterans Memorial Drive and East Washington Avenue. The investigation indicated these two incidents were related.

On February 2, 2018 at approximately 10:03 a.m. officers were dispatched to the area of North 14th Street and US-95 to investigate a report of a man discovered deceased under the bridge. At about 4:16 a.m. video surveillance showed the suspect approaching the victim and shooting him.

It was later discovered that on January 29, 2018 at about 12:30 a.m. a shooting had taken place in Logandale, Nevada. The victim was outside of a convenience store when the suspect approached in a vehicle. The suspect shot several rounds towards the victim, striking him once. The victim suffered a non-life threatening wound. Surveillance video of the vehicle was obtained and appears to be the same vehicle from the events that took place later that day in Las Vegas.

During the course of the investigation, it was determined all four of these incidents are
