## Toddler's Remains Located During Kidnapping Investigation

On February 22, 2022 at approximately 8:39 a.m., the Clark County School District Police Department notified the LVMPD of an elementary student who arrived at school with a note from her mother claiming she was being held against her will at a home in the 4300 block of Saddle Brook Park Drive. The mother also wrote that she did not know the whereabouts of her toddler and that she believed the child was possibly deceased.

LVMPD officers responded to the residence where they contacted the mother and detained her boyfriend, 35-year-old Brandon Toseland. The woman told detectives she had undergone abuse by Toseland, and she was not allowed to leave the house alone or enter the garage. She also confirmed she had not seen her toddler since December 2021, and she believed he was deceased. Homicide detectives were notified and assumed the investigation. Upon entering the residence, detectives located the remains of a toddler inside a freezer in the garage.

Toseland was arrested and booked into the Clark County Detention Center on one count of Open Murder and two counts of Kidnapping.

The identification of the victim, as well as the cause and manner of death will be released by the Clark County Coroner's Office.
