Man Arrested After Report of July 7, 2019 Sexual Assault

Detectives Seek Potential Additional Victims

On July 16, 2019 the LVMPD was notified of a sexual assault that occurred on July 7, 2019 at a business located in the 5500 block of Boulder Highway. Officers learned that on July 7th a teenaged victim was with a parent in the store and was detained by a loss prevention employee later identified as 26-year-old Dominic Miller. Miller accused the victim of shoplifting and said the victim needed to go to an office to fill out paperwork or the police would be called.

The victim was separated from the parent and went with Miller to a room inside of the business. Miller indicated if the victim did not comply with his requests, he would call the police and have the victim arrested. Miller ultimately sexually assaulted the victim and then brought the victim back to the parent where they were both told to leave the store and not return.

On July 19, 2019 Dominic Miller was arrested and transported to the Clark County Detention Center where he faces two counts of sexual assault. His booking photo accompanies this release. Detectives believe there is a possibility of additional unidentified victims.
