Undersheriff Andrew Walsh Provides Details on Two NSP Troopers Killed by Suspect

On November 30th, at approximately 3:23 a.m., two Nevada State Police Troopers were making contact with a motorist who appeared to be sleeping behind the wheel and was pulled over to the side of the road in the area of Interstate15 & D Street.

Moments later, a white Chevrolet HHR collided with the troopers. The suspect fled the scene in an unknown direction of travel. Medical personnel responded and transported one of the troopers to UMC Trauma where he later died. The other trooper succumbed to his injuries at the scene.

LVMPD responded to the scene and performed a grid search for the white Chevrolet HHR. Officers were able to locate the vehicle unoccupied in an apartment complex near J street and Monroe Avenue at approximately 8:00 a.m.

Through investigative measures, we were able to identify the suspect as 46-year-old Jemarcus Williams. He was arrested and booked into the Clark County Detention Center for the following charges:

- Reckless driving resulting in death (2 Counts)
- Driving under the influence resulting in death (2 Counts)
- Duty to stop at the scene of an accident involving death (2 Counts)

This remains an ongoing investigation being led by the LVMPD Homicide Section. A future update will be provided when additional information is available.
