Man Critically Injured in Altercation
Detectives Work to Identify Suspect

On December 5, 2018 at approximately 3:32 p.m. LVMPD patrol officers were dispatched to Surrey Street directly in front of McCarran Marketplace Park to investigate a report of an injured man. Arriving officers located a motorist who indicated the injured man had run directly in front of her car as she was driving on Surrey Street. As soon as the driver stopped, the man, who was covered in blood, walked around the car, opened a back door and sat in the rear seat. The passenger in the vehicle walked to the back of the car and began to render aid to the victim while the driver called for police and medical assistance. The victim was transported to the Sunrise Trauma Center in extremely critical condition.

Detectives that responded to the scene were able to determine that the victim had been stabbed in the neck. They were able to locate the scene of the stabbing near a restroom in the park. People nearby reported seeing two men and a woman involved in a verbal argument near the restroom but did not see how the victim was injured.

LVMPD homicide detectives have assumed responsibility for this investigation due to the severity of the victim’s injuries. As of this release, no suspect or suspects have been identified and the motive is unknown.
