Vehicle Information: 2001 Audi TT
Vehicle Information: 2016 Toyota Rav4

COLLISION DETAILS:

On April 8, 2020, at approximately 8:01 p.m., a fatal traffic collision occurred on S. Eastern Avenue south of E. Sunrise Avenue. Evidence at the scene indicated a 2016 Toyota Rav4 was traveling southbound on S. Eastern Avenue at the intersection with E. Sunrise Avenue. A 2001 Audi TT was traveling northbound on S. Eastern Avenue approaching the intersection from the opposite direction of the Toyota. The Audi crossed the center median while in a rotation and entered the southbound lanes. The front of the Toyota struck the passenger’s side of the Audi. The 24-year-old male driver of the Audi was unrestrained and appeared to have been impaired. Emergency rescue personnel transported him to the hospital where he was pronounced dead despite all resuscitative efforts. The 33-year-old unrestrained-driver of the Toyota, Edmund Santaanna, remained at the scene and was not impaired. The death marked the 26th traffic-related fatality in the Las Vegas Metropolitan Police Department’s jurisdiction for the year 2020. Excessive speed by the Audi appeared to be a causative factor to the incident. The collision remains under investigation by the LVMPD Collision Investigation Section.
