**Vehicle Information:** 2003 Dodge Ram 1500  

**COLLISION DETAILS:**

On September 5, 2020, at approximately 10:27 p.m., a fatal traffic collision occurred on Sahara Avenue east of Sandhill Road. Evidence at the scene indicated that a 2003 Dodge Ram 1500 pickup truck was traveling eastbound on Sahara Avenue at an excessive rate of speed. East of the intersection with Sandhill Avenue, the driver failed to negotiate a curve in the roadway and lost control of the pickup truck. The Dodge traveled, out of control, over the center median, crossed all three westbound travel lanes, and impacted a cinder block property wall adjacent to the north sidewalk of Sahara Avenue. The driver was ejected from the pickup truck during the collision sequence onto the roadway surface. The driver was pronounced deceased at the scene by responding medical personnel. The driver's death marked the 65th traffic-related fatality in the LVMPD's jurisdiction for 2020. This collision remains under investigation by the LVMPD Collision Investigation Section.
