COLLISION DETAILS:
On September 14, 2020, at approximately 6:47 a.m., a critical injury traffic collision occurred at the intersection of Sahara Avenue and Durango Drive. Evidence at the scene and witness statements indicated that a 2005 Nissan Titan was traveling westbound on Sahara Avenue approaching the intersection. A Trek Mountain Bike was traveling eastbound, in the roadway, on Sahara Avenue, turning left to northbound Durango Drive. The Nissan impacted the bicyclist in the intersection. The bicyclist was transported to UMC Trauma by ambulance with injuries determined to be life-threatening by Trauma Staff. The driver of the Nissan remained at the collision scene but failed Field Sobriety Tests and was transported to the Clark County Detention Center. This collision remains under investigation by the LVMPD Collision Investigation Section.
