COLLISION DETAILS:

On December 30, 2021, at approximately 6:51 a.m., a vehicle versus vehicle collision occurred on Pabco Road north of East Lake Mead Boulevard. Evidence at the scene indicated that a red 2009 Toyota Tacoma was traveling northbound on Pabco Road in the single northbound travel lane, approximately 5.8 miles north of Lake Mead Boulevard. A collision occurred when a grey 2007 Ford Mustang traveling southbound on Pabco Road crossed left-of-center and entered the single northbound travel lane. The front of the Ford struck the front of the Toyota, resulting in significant damage to both vehicles.

Both occupants in the Toyota sustained moderate injuries and were transported to UMC Trauma for further medical attention. The driver of the Ford was pronounced deceased at the collision scene. The Ford driver's death marked the 149th traffic-related death in the LVMPD's jurisdiction for 2021. This collision remains under investigation by the LVMPD Collision Investigation Section.
