	Address: Las Vegas, NV	Age: 31 Female
	Vehicle Information: 2008 Chrysler Sebring	
Number: 1	Pedestrian: Lambey, Breeonne	Injury: Critical
	Address: Las Vegas, NV	Age: 27 Female

COLLISION DETAILS:

On June 13, 2022, at approximately 8:25 p.m., an auto versus pedestrian critical injury collision occurred on S. Fort Apache Rd. and W. Martin Ave. Evidence at the scene and witness statements indicated a 2008 Chrysler Sebring was traveling north on Fort Apache in the first of two through travel lanes (T1). The pedestrian was crossing outside of an implied crosswalk at Martin Ave. from west to east. A collision occurred when the left front of the Chrysler made contact with the pedestrian. The collision redirected the pedestrian to the north, where she came to rest in the roadway. Arriving medical personnel transported the pedestrian to UMC Trauma with life-threatening injuries. The driver of the Chrysler remained on the scene of the collision. Impairment on the part of the driver of the Chrysler is pending the analysis of the blood samples.

This collision remains under investigation by LVMPD's Collision Investigation Section.
