COLLISION DETAILS:

On January 22, 2023, at approximately 1:06 p.m., a vehicle versus pedestrian collision occurred in front of 2052 Quarry Ridge Street. Evidence at the scene indicated a driverless gold 1970 Chevrolet Monte Carlo was parked in the driveway and left running. The male driver exited the vehicle and was standing behind it when it began rolling backward down the sloped driveway. The male was knocked to the ground, at which point the car rolled over him and began to drag him. The male sustained mortal injuries as a result of the collision.

Despite life-saving efforts, the male was pronounced deceased at the scene. Impairment is not believed to be a contributing factor in this collision. This collision remains under investigation by the LVMPD Collision Investigation Section.
