COLLISION DETAILS:

On January 27, 2022, at approximately 10:05 a.m., a critical-injury automobile versus pedestrian collision occurred on East Stewart Avenue at the intersection with Ronald Lane. Evidence at the scene and witness statements indicated that a gray 2004 Infinity G35 was traveling east on East Stewart Avenue and was approaching the intersection with Ronald Lane. A female pedestrian was walking south attempting to cross East Stewart Avenue at the intersection. A collision occurred when the pedestrian crossed the vehicle's path of travel. Responding emergency medical services transported the pedestrian to University Medical Center's Trauma Unit where she remains in critical condition. The driver of the Infinity remained at the scene and did not display any indicators of impairment.

The collision remains under investigation by the Las Vegas Metropolitan Police Department's Collision Investigation Section.
