COLLISION DETAILS:

On May 25, 2023, a critical injury vehicle versus pedestrian collision occurred on Pecos-McLeod Interconnect south of South Mojave Road. Evidence at the scene and witness statements indicated that a 2014 Buick Enclave was traveling southbound on Pecos-McLeod Interconnect, south of Mojave Road, in the left travel lane of two (T1). A pedestrian was crossing eastbound over Pecos-McLeod Interconnect, south of Mojave Road, outside a marked or implied crosswalk. A collision occurred when the pedestrian entered the Buick's path of travel. The front of the Buick struck the pedestrian, projecting him forward and onto the roadway.

The pedestrian sustained life-threatening injuries and was transported to Sunrise Hospital and Medical Center, where he remains in critical condition.

The driver of the Buick remained at the collision scene and did not display signs of impairment.

This collision remains under investigation by the LVMPD's Collision Investigation Section.
