## COLLISION DETAILS:

On May 29, 2023, at approximately 10:41 p.m., a fatal motorcycle versus bicycle collision occurred on East Desert Inn Road, east of the intersection with South Mojave Road. Witness statements and scene evidence indicated that a 2003 Honda CBR 954 RR was traveling westbound on Desert Inn Road at a high rate of speed. A bicyclist was attempting to cross Desert Inn Road, east of the intersection with Mojave Road, from the south to the north. A collision occurred when the bicyclist crossed the path of the motorcycle. The motorcycle struck the bicyclist. Emergency Medical Services responded and transported both riders to the Sunrise Hospital Trauma Center for their injuries. Despite all life-saving interventions, the motorcyclist was pronounced deceased at the hospital. The bicyclist remains hospitalized at Sunrise with critical injuries.

The motorcyclist's death marks the 53rd traffic-related fatality in The Las Vegas Metropolitan Police Department's jurisdiction for 2023. The collision remains under investigation by the LVMPD Collision Investigation Section.
