COLLISION DETAILS:

On September 17, 2023, at approximately 7:54 PM, a fatal injury vehicle versus pedestrian collision occurred on Las Vegas Boulevard North south of East Cheyenne Avenue. Evidence at the scene and witness statements indicated a 2004 GMC Sierra was traveling north on Las Vegas Boulevard in the left-most travel lane approaching Cheyenne Avenue. A pedestrian crossed Las Vegas Boulevard from west to east outside a marked crosswalk. A collision occurred when the pedestrian entered the path of the GMC. The pedestrian was projected north, where he came to rest in the roadway. Arriving medical personnel determined the pedestrian was beyond resuscitation. The pedestrian was pronounced deceased at the collision scene. The driver of the GMC remained at the collision scene and showed no signs of impairment.

The pedestrian's death marks the 100th traffic-related fatality in the Las Vegas Metropolitan Police Department's Jurisdiction for 2023. The collision remains under investigation by the Las Vegas Metropolitan Police Department's Collision Investigation Section.
