COLLISION DETAILS:

On September 19, 2023, at approximately 3:07 p.m., a critical injury vehicle versus pedestrian hit-and-run collision occurred on South Valley View Boulevard south of West Tara Avenue. Evidence at the scene, witness statements, and video surveillance indicated a 2014 Toyota Corolla was stopped eastbound from the alleyway south of West Tara Avenue. A pedestrian was walking on the sidewalk on the west side of South Valley View Boulevard northbound, approaching the alley. A collision occurred when the pedestrian entered the path of the Toyota. The pedestrian was knocked to the ground while the passenger side wheels of the Toyota drove over the pedestrian. The Toyota then fled the scene. The driver of the Toyota and the vehicle were located shortly after the collision. The driver of the Toyota displayed signs of impairment and was arrested for DUI and hit-and-run-related charges.

Arriving medical personnel transported the pedestrian via ambulance to the University Medical Center's Trauma Unit with injuries determined to be life-threatening by trauma staff. This collision remains under investigation by the Las Vegas Metropolitan Police Department's Collision Investigation Section.
