Personal Identifying Information

The record(s) you seek contain personal identifying information.

NRS 239.001 provides that public records are open to inspection. However, NRS 239.010(1) expressly creates exemptions to the disclosure of records falling under various statutes, including NRS 239B.030. NRS 239B.030 makes “personal information” confidential. NRS 603A.040 defines “personal information” to include social security numbers, driver’s license numbers, account numbers, and the like.

Here, because the record(s) you seek contain confidential personal identifying information, they have been redacted.
