OJ

Other Jurisdiction's Record

LVMPD is not the custodian of record for the records you seek.

NRS 239.001 provides that public records are open to inspection. However, NRS 239.010(1) expressly creates exemptions to the disclosure of records falling under various statutes, including NRS 179A.070, which defines "records of criminal history." Pursuant to NRS 179A.070(2)(j), "[r]ecords which originated in an agency other than an agency of criminal justice in this State" are excluded from the definition and thus confidential.

The record you seek is not within LVMPD's custody and control. Rather, the record is within the custody and control of a different governmental entity. In particular, and pursuant to NRS 239.0107(1)(b), please NV Department of Motor Vehicles.

PII

Personal Identifying Information

The record(s) you seek contain personal identifying information.

NRS 239.001 provides that public records are open to inspection. However, NRS 239.010(1) expressly creates exemptions to the disclosure of records falling under various statutes, including NRS 239B.030. NRS 239B.030 makes “personal information” confidential. NRS 603A.040 defines “personal information” to include social security numbers, driver’s license numbers, account numbers, and the like.

Here, because the record(s) you seek contain confidential personal identifying information, they have been redacted.

PRVCY

Privacy Interests

The record(s) you seek contain information the disclosure of which would constitute an unwarranted invasion of a person's privacy interests.

In *Reno Newspapers v. Sheriff*, 126 Nev. 211, 218, 234 P.3d 922, 927 (2010), the Nevada Supreme Court recognized that an individual's privacy must be balanced with the public's general right to open government, "especially because private and personal information may be recorded in government files"). Later, in *Clark County Sch. Dist. v. Las Vegas Review-Journal*, -- Nev. --, 429 P.3d 313, 319-20 (2018), the Court adopted a balancing test in which the burden shifts to the requester of a record if the public agency demonstrates a "nontrivial personal privacy interest" including "intrusion[s] into a person's reasonable expectation of privacy, seclusion, or solitude." Privacy interests include information that may cause "embarrassment, shame, stigma, [or] harassment" or "endangerment, or similar harm." *Las Vegas Metro. Police Dep't v. Las Vegas Review-Journal*, 136 Nev. Ad. Op. 86, -- P.3d -- (2020). Medical information, personnel files, details about sexual orientation, and other information about a person's life give rise to privacy interests. *Clark County Office of the Coroner/Medical Examiner v. Las Vegas Review-Journal*, 136 Nev. Adv. Op. 5, -- P.3d -- (2020).

The Nevada Supreme Court equates the type of information that should be withheld under the Nevada Public Records Act with the common law tort of invasion of privacy. *Clark County Sch. Dist.*, *supra*, at 708, 549 P.3d at 320. "The tort of invasion of privacy embraces four different tort actions: '(a) unreasonable intrusion upon the seclusion of another; or (b) appropriation of the other's name or likeness; or (c) unreasonable publicity given to the other's

private life; or (d) publicity that unreasonably places the other in a false light before the public.” *Franchise Tax Bd. of Cal. v. Hyatt*, 133 Nev. 826, 842, 407 P.3d 717, 733 (2017), *overturned on other grounds by Franchise Tax Bd. v. Hyatt*, 139 S. Ct. 1485 (2019) *quoting* RESTATEMENT (SECOND) OF TORTS § 652A (1977); *see also PETA v. Bobby Berosini, Ltd.*, 111 Nev. 615, 629, 895 P.2d 1269, 1278 (1995), *overruled on other grounds by City of Las Vegas Downtown Redev. Agency v. Hecht*, 113 Nev. 644, 650, 940 P.2d 134, 138 (1997).

Here, the record(s) you seek contain information the disclosure of which would constitute an unwarranted invasion of a person’s privacy interests. Therefore, they are confidential and must be withheld or redacted.
